

Dear Wine Lovers,

Thank you for your interest in our wines and family. We would love to keep everyone more informed and decided to start by letting you know that we have released a Rosè under our Helix label for the first time ever! This 100% Merlot is a clean, fruity and refreshing gem (hurry, only 75 cases).

We are excited to announce the release of our 2005 *Helix Aspersa*. Packed with lemon drop, this Viognier/ Chardonnay blend also shows notes of mango, pear and banana and is a simply wonderful end of summer sip.

On more of a RED wine note, our *Reininger Red Wine Club* is in full swing, offering perks such as invitations to events, access to limited release wines, and up to 20% discounts on purchases. Full details can be found on our web site ([www.reiningerwinery.com](http://www.reiningerwinery.com)).

We would like to thank Jennifer, the newest addition to the Reininger gang, for her dedication to the June Wine Club shipments. Jen came to us in February after traveling extensively and living in Portland where she worked with Columbia Sportswear. From theatre to bicycling to greeting you at the winery, Jen's skills and interests have added a much appreciated twist to the gang. She is definitely worth coming in to meet.

As testified by *The Wine Spectator*, *The Economist*, *Sunset* and *Preservation* magazines, Walla Walla is bursting with great new life. There are a couple of great new restaurants, a French style patisserie, artisan cheese shops, a pair of hopping wine bars, live music, Saturday markets, Sunday brunches and lots more. We have found the following to be some of the great new and still somewhat hidden treasures:
