Sweet aromatic oak, reminiscent of my great uncle Dell's unlit, moist pipe tobacco, accompanies this medium-dark red Merlot with deep scents of black cherry demi glaze, baked fig and cocoa. Its velvety palate and rich fruit are supported by soft, round tannins and an abundance of acid. Permitting this wine to breath a few hours will divulge layers of plush black cherry, roasted figs and plums drizzled with Chambord and drops of mocha. Take your time, enjoy. - *Chuck Reininger, Winemaker*
