REININGER

2013 Cabernet Sauvignon

Walla Walla Valley

“Our Cabernet Sauvignon possesses a garnet color, with fragrant scents of black currant, black cherry, savory spice, and hints of crushed rose petals and Sambuca. This is certainly showing its Walla Walla roots by spanning old world and new world supported by its two pillars of earthy, loamy dark fruit and savory herbs and spice while balancing its convivial acids with soft drying tannins.”

- *Chuck Reininger, Winemaker*
