

# 2017 REININGER Mr. Owl's

## DESCRIPTION

Mr. Owl (Raul – our winery's assistant winemaker) always puts a smile on our faces. His 2017 Mr. Owl's Red boast scents of sandalwood, sweet-Asian floral spice with hints of rose petal and Walla Walla's famous mineral loam soil. The palate possesses a medium, chewy and chalky tannin structure escorting fruit flavors of explosive black currant, plum, cherry and a background layer of baked blueberry along with a subtle savoriness. The finish carries a wonderful cherry note with an intimate smokiness. -Chuck Reininger, Winemaker

## THE VINEYARDS

**PEPPER BRIDGE (39%)** Known for its outstanding reputation with winemakers throughout the Walla Walla Valley and Washington State, Pepper Bridge has some of the most sought after grapes.

**PHINNY HILL (15%)** Across from Champoux Vineyard in the Horse Heaven Hills, Phinny Hill's high elevation and steep gradation allows the grapes to get plenty of hang time and heat. We were one of the first wineries to source fruit from Phinny Hill and we currently source 5 acres.

**STONE TREE (7%)** Planted on the south side of Saddle Mountain in 2000, Stone Tree Vineyard is managed by one of the most influential viticulturalists in Washington—Tedd Wildman. Chuck believes that this is the best Petit Verdot that we source from in the state.

**XL (39%)** Founded in 2005 as part of the SeVein project, XL Vineyards started on 47 acres with the mission to focus on sustainable farming practices. At a maximum elevation of 1,250 feet, XL is one of the highest planted vineyards in the Walla Walla Valley.

## THE STORY OF MR. OWL

When the Reininger children were young, they had difficulty pronouncing the name of the man who began working in the winery's cellar in 1999. The children would call him "Mr. Owl!" In 2002, Raul Morfin became our Assistant Winemaker and Chuck crafted the first Mr. Owl's Red as a thank you to all of Raul's hard work. It wasn't until 2008 that REININGER released another Mr. Owl's Red. Since 2008, Raul has taken his favorite grapes from each vintage to create a special blend.
